Mineral rights.

SEC. 4. With respect to all of the lands quitclaimed by this Act, all minerals are hereby reserved to the United States, together with the right of the United States, its lessees, permittees, and licensees to enter upon the land to prospect for, drill for, mine, treat, store, transport, and remove such minerals and to use so much of the surface and subsurface as may be reasonably necessary for the foregoing purposes.

SEC. 5. For the purposes of this Act, the deeds from the Salt River Valley Water Users' Association referred to in sections 1 and 2 of this Act shall be deemed, insofar as the United States is concerned, to have created possessory interests in the grantees therein named, and the general release of easement referred to in section 2 of this Act shall be deemed, insofar as the United States is concerned, to have released possessory interests to the releasee therein named.

SEC. 6. Nothing contained in this Act shall be deemed to create or recognize any obligation or liability whatsoever on the part of the United States.

Approved August 30, 1954.

CHAPTER 1079

AN ACT

August 30, 1954
[S. 3189]

Providing for the conveyance by the United States to the Monterey County Flood Control and Water Conservation District, Monterey County, California, of certain lands in Camp Roberts Military Reservation, California, for use as a dam and reservoir site and for other purposes.

Monterey County, Calif.
Dam and reservoir site.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the Secretary of the Army is authorized to convey by quitclaim deed, to the Monterey County Flood Control and Water Conservation District of Monterey County, California, for the purpose of constructing, operating, and maintaining thereon a dam and reservoir area for its El Nacimiento Reservoir project, all right, title, and interest of the United States, except as reserved herein, in and to so much of the following

described lands within the boundaries of Camp Roberts Military Reservation, California, as the Secretary of the Army, or his designee, and the Monterey County Flood Control and Water Conservation District shall determine to be necessary as a dam site and reservoir area for the El Nacimiento project:

The east half of the southeast quarter of section 11; the southwest quarter of section 12; the west half of section 13; and the east half of the east half of section 14, all lying in township 25 south, range 10 east, Mount Diablo base meridian.

(b) The deed conveying the lands determined to be necessary for the dam site and reservoir area for the El Nacimiento project shall provide (1) for the reservation by the United States of all mineral rights, including oil and gas, in and underlying the lands conveyed, (2) that the lands conveyed shall be used solely for the purpose of constructing, maintaining, and operating a dam and reservoir project thereon, and in the event such dam has not been constructed thereon within ten years after the enactment of this Act, or in the event the lands conveyed shall at any time after construction of the dam cease to be used for the sole purpose of maintaining and operating a dam and reservoir thereon, all right, title, and interest in and to such lands shall revert to the United States, (3) that in the event the existing water supply at Camp Roberts shall be diminished or adversely affected in any manner by the construction, operation, and maintenance of the dam and reservoir project, the grantee, its successors, and assigns, shall provide to the United States without additional cost substitute or supplementary water supply necessary to equal the existing supply at Camp Roberts, (4) the Armed Forces of the United States shall be granted for recreational and training purposes the use of the lands conveyed, to the extent that such use does not adversely affect the operation and maintenance of the dam and reservoir, and the use of the remaining portion of the reservoir area, to the extent provided in the regulations of the Monterey County Flood Control and Water Conservation District generally applicable to the reservoir area, and (5) the grantee shall remove, relocate, and reconstruct, at its own cost and expense all structures, roads, and fences at Camp Roberts affected by the proposed conveyance.

SEC. 2. The Secretary of the Army is authorized to issue to the Monterey County Flood Control and Water Conservation District, without compensation therefor, and on such terms and conditions as he deems appropriate, a license to use and occupy any lands in the area described in Section 1 not conveyed pursuant to the authorization contained therein, as may be required for the excavation of borrow materials and any other purposes related to the construction of the El Nacimiento project.

License.

SEC. 3. The conveyance herein authorized shall be made for a monetary consideration determined by the Secretary of the Army or his authorized representative, after appraisal, to represent the appraised fair market value of the estate conveyed.

Approved August 30, 1954.
